Sub.: Request to allow "Under Verification" CVs from Infracon Portal for empanelment on Skill Bridge Portal.

Ref.: 1- Our association's previous letter no. ICAI/Chairman/2026-27/55, dated 13-04-2026.

2- NHAI Policy Circular No. 10.2.49/ 2026, dated 10-03-2026.

Respected Sir,

We draw your kind attention to our previous letter dated 13-04-2026 regarding the serious difficulties being faced by our Members following the implementation of the Policy Circular dated 10-03-2026. As per the said Policy Circular, various authorities of NHAI are now accepting CVs of Key Personnel only through the Skill Bridge Portal.

We had earlier informed your good self that the Skill Bridge Portal accepts only verified CVs available on the Infracon Portal. As on date, only 263 CVs have been empaneled on the Skill Bridge Portal. It is pertinent to mention that while 5530 CVs are registered on the Infracon Portal, merely 20% of them have been verified. Consequently, the remaining 80% of the CVs are unable to be empaneled on the Skill Bridge Portal.

Furthermore, even eligible candidates are finding it extremely difficult to successfully empanel on the Skill Bridge Portal due to the stringent and highly technical questions posed by experts drawn from various disciplines of Civil Engineering. The acute scarcity of Key Personnel on the Skill Bridge Portal has created significant challenges for our members in filling vacant positions in both ongoing and upcoming projects.

In view of the above, we respectfully submit that under verification CVs available on the Infracon Portal may also be allowed for empanelment on the Skill Bridge Portal otherwise the association apprehends that it will result in large scale vacancies of Key Personnel in various ongoing projects, which will adversely affect proper supervision and quality of construction activities.

We shall be highly grateful for your kind intervention and immediate necessary action in this matter.

Thanking you,

For Infrastructure Consultants Association of India

(Dr. L. N. Malviya)
Chairman
